

## IF I HAD A DOLLAR

**Dm Am Dm Bb/Dm Dm C**  
If I had a dollar, I'd have a plan, I'd have a way to make you understand  
**Dm Am Dm Am**  
No matter where you go, no matter what you do,  
**Dm Bb C Dm**  
I'm going to find a way to get back to you.

Don't know how to say it, don't know how I feel  
First time I saw you, it didn't seem real  
Everything has a price different from the cost  
Don't know what I won  
But I know what I lost.

**C Bb Dm**  
Break: Sometimes it's just in the stars  
**C Bb A**  
Love is either boring or bizarre  
**Dm C A Dm**  
So much of Life is just plane luck, Waiting until you have to duck  
**Bb C Dm**  
Back inside of who you really are

Tell me a secret, tell me a lie  
Couldn't know the difference, but I tried  
Have a spot reserved for the rest of the story  
Can't hear it all until I get to Glory.

I once had a road stretched into the night  
You were the only one to ever give it Light  
I'd be lonesome for a million years  
Just to have a chance to kiss away your tears.

Break: One day angels fell from the sky  
None of them would tell me why  
But I think it might have been  
Something about you in the wind  
That made them want to give this world a try.

If I had a hammer, and if I had a bell  
I'd use them both to try to warn Hell  
Better lock your doors and keep them tight  
Something escaped from there just the other night.

If I had a fortune, I'd have a dream  
I'd give you a way to come clean  
Try to know your own heart before you judge mine  
And don't be dividing Space from Time.

Break: repeat #1
