Take it Downtown Blues

F/Bb/C….

F Bb
When the evening sky comes undone
F Bb
And you're sitting alone with the setting sun
F C
Give me a call and tell me who won
F Bb F
I can keep score while I'm trying to get numb. (on the run).

When you try to make it seem like all the same
When you find away to excuse all the pain
Bring me up to speed on the name of this game
Maybe I'll recognize what it was that I claimed.

When that evening rain comes down
And no one else has any plans to come around
Listen to how the Silence sounds
And you can tell 'em all about it when you take it downtown.
