

Taylor Swift's Super Bowl.

Am
OK America In Crises
C4 (f/a/c)
Feeling like riding a bike on ice
Am
But no matter
C4 (f/a/c)
You have your tribal license,
Am G
Your game splattered on screens and devices.
F10/Am G
You got your cult division,
F10/Am G
The Barbie invasion
F10/Am
The couple we all wish we were
Dm Fm5 Am
Minus the illusion.

Am
OK America in Free Fall
C4 (f/a/c)
You'll be charged regardless
Am
And held up to the Sport of Chance
C4 (f/a/c)
When everything defaults,
G
Running up under the creek bridge
F10/Am
Like a summersault,
Dm Fm5 Am
Swollen with pride and assaults.

C
Yes, it will belong to history
F10/Am
Like the Neanderthals,
C
Like George Orwell with the bell
F10/Am
And all we can do is meander

G F10/Am
Like cute pandas on loan from the prisoners.

Am
It's really OK.
C4 (f/a/c)
The trophy is in the window,
Am C4 (f/a/c)
The sacred parchment under glass in disarray
Am C4 (f/a/c)
With the edges folded for Protection.

F10/Am
We belong here,
G
Confused but confident,
F10/Am G
Hollow but religious,
F10/Am
Welcoming the conclusion as
Dm Fm5 Am
We beckon the cruelty.

Am
We'll be fine,
C4 (f/a/c)
Left for Time and the ashes,
Dm Fm5 Am
Soon to be all mine, all mine.
